MEMORANDUM FOR: C/[] DO

25X1

FROM: [] Legislation Division
Office of Congressional Affairs

25X1

SUBJECT: Request for CISPES Document Attachment

One of the documents we recently sent to the Senate intelligence committee (attached) in response to its CISPES request refers to a three-page attachment, which is a translation of a captured document. John Elliff has now asked for a copy of that attachment. Please provide me with a copy at your earliest convenience so that I may forward it to the committee.
